WAIVER OF APPEARANCE

I have read and consented to the terms herein, and to hereby waive my constitutional right to appear and contest the charges against me and appoint William J. PJC's and Out of State Drivers

Depending on the charged offense, and the client's driving history, the attorney may deem that a Prayer for Judgment Continued (PJC) is the resolution to a client's case. However, insurance companies will only honor one PJC per insurance policy, per every three years. Insurance rates are likely to increase if another PJC has been used by anyone covered by the client's policy. As the attorney will only have access to the client's driving history, it is the client's obligation to notify the attorney if someone else on the policy has used the PJC.

North Carolina is the only state that employs the PJC. Thus, if you are licensed in another state, that state may or may not properly recognize it as a stay on the conviction. The attorneys associated with Vasquez Law Firm, PLLC are licensed to practice law in North Carolina only, and thus are not allowed to give guidance as to the effects various outcomes will have in other states. All decisions on how best to proceed with a client's case will be based on North Carolina law and insurance guidelines.
